President's Message

Fellow Members,

Well it looks like we have another good Board of Directors who will work for the good of The Gun Club and it's members. In order to achieve the best and fastest results, and to make things easier for the board to do their jobs, for now and in the future please check the list of officers and direct your questions to the proper officer. For instance if you have a question about membership contact Glenda (our Membership Secretary), if you have a question about finances or something for the news letter contact Pat (our Treasurer/news letter editor), if you have a question about work days or repairs needed on the ranges contact John (our Range Maintenance Officer), if you have a question about the web page contact Buck (our Vice President/web master) and so on!! Time for me get off of my soap box. At this time I will close with a quote from Thomas Jefferson who said The people should never fear the government, the government should fear the people! *Kenny Long*

Fellow members, we installed and try to maintain a Bulletin Board on the rifle range for everyone's convenience. In the upper left hand corner we post the standings for the two Bench Rest Leagues, IT IS THERE SO MEMBERS THAT SHOOT IN THESE LEAGUES CAN CHECK THEIR STANDINGS IF YOU DON'T SHOOT IN THESE LEAGUES IT IS OF NO INTEREST TO YOU SO PLEASE LEAVE IT ALONE!! THESE DATA SHEETS ARE NOT YOURS DO NOT TAKE THEM DOWN FOR ANY REASON!!! THANK YOU, *Kenny Long*

**New Range Rule: NO SMOKING** beneath the covered areas on any of the ranges. Your cooperation will be appreciated.

Improvements continue to appear under the watchful eye of our dedicated President! Most recently, our new handman, assisted by Kenny, completed the renovation of the interior of our aging clubhouse. Please come to a meeting or other event and stop in and see the changes. Even using the restrooms will let you appreciate the new paint, beautiful flooring and trimwork. Additionally, there are chair rails, new picture frames, bulleting boards, a kitchen that is no longer a store room and a sitting area outside the bathrooms. New porta potties have also appeared. To all - it is **NOT** Kenny's fault that a particular....item of convenience is NOT installed in these units. I apologize for this oversight!!!! *Pat*

**According to club By-Laws...**Section VIII, the annual budget is to be presented and voted upon at the May Board Meeting. Notice is always provided in a newsletter prior to this important vote however, due to a computer failure, this newsletter is not being published in sufficient time to allow for the Membership to be notified of the vote. To remedy this, the PROPOSED BUDGET will NOT be voted upon until the June 1st meeting, although it will be discussed at the May meeting. The proposed budget for 2011 will be very close to the overall budget that was approved last year. Attend the meeting if you have concerns.
